Dear JOTHILINGAM DHEERAJ

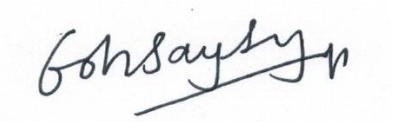

APPEAL FOR CHANGE OF COURSE / ADMISSION TO THE NATIONAL UNIVERSITY OF SINGAPORE (NUS)

I refer to your appeal for change of course/admission to NUS.

The Admissions Appeal Committee has re-evaluated your application, paying close attention to your academic and other achievements and interest in the course. However, due to the strong competition for limited university places, we are unable to make you an offer to the course you have applied to.

Thank you for your interest in NUS and we wish you all the best in your future endeavors.

Yours sincerely,

Professor Goh Say Song
Dean
